

Introduction of Bob Delaney

Bob Delaney is the Member of Provincial Parliament for Mississauga Streetsville. He is the Parliamentary Assistant to the Minister of Education. Bob's many personal accomplishments in western Mississauga include: getting the Lisgar GO Train station built; and securing funding and building approval for the expansion of the Credit Valley hospital. Construction of the Phase II project is ahead of schedule, and scheduled for completion in 2011.

Bob lives in the Churchill Meadows neighbourhood of Mississauga. He received his Bachelor's Degree in physics from Concordia University in Montreal. He earned a Masters Degree in Business Administration from Simon Fraser University in British Columbia.

Bob also taught in the School of Business Studies in Continuing Education at Ryerson University. He is a co-author of the book *High Value IT Consulting*, published by Osborne McGraw Hill.

Bob Delaney has long taken a close personal interest in working with communities of new Canadians. At the Legislature, he contributed to the development of the *Fair Access to Regulated Professions Act* that has, since 2006, helped newcomers to Canada convert their experience and qualifications to their Canadian equivalents.

In his spare time, Bob is an accomplished photographer, writer and still manages a bit of web site development. Bob is playing in his 50th season in hockey, and is a lifelong goaltender. Ladies and gentlemen, the Member of Provincial Parliament for Mississauga Streetsville, Bob Delaney.
